NEWSLETTER - NO. 10

June 2014

Carpark and entrance to offices and lounge

Fantastic Progress is being made on the community centre. Inside and outside is now painted, the carpark has been prepared for sealing and services such as electricity are all installed. Over the next two weeks the kitchen will be installed, floorings laid and toilets etc going in. By the end of the month the complex will nearly be complete.

Financial Update

We have continued to be blessed by a few further donations as well

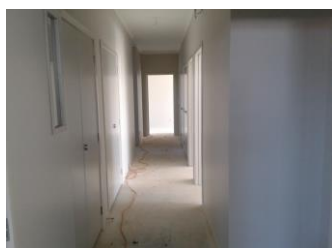

as support from numerous local businesses for which we are grateful. Our planned deficit is now under \$45,000! Some of the money we are still to raise is to cover expenses such as blinds for the offices, heating, stackable chairs, trestle tables, kitchen equipment and landscaping. We will not be able to do some of these things until we have raised the money. Please contact us if there was something specific you would like to make a further donation towards.

The painting of the hall ceiling

Blinds	\$445
Heating (excluding hall)	\$9520
Chairs and Tables	\$11250
Kitchen Equipment	\$5860
Landscaping	\$3200
Signage	\$2000

Many thanks to AGORA CAFÉ and all those who visited during the month of May to help raise some of the funds for the project. We look forward to hearing how much this has raised.
