NEWSLETTER - NO. 7

March 2014

Just had to share with you the latest news on the progress that is being made on the **GOOD NEWS COMMUNITY CENTRE** (our new name).

The building is soaring ahead by leaps and bounds and the expected completion date of mid-July is on target. Here are some photos of progress to date:

Firstly we'd like to say a big WELCOME to some new donors – thank you for coming on board. We are grateful that \$6,000 more has been raised towards the

building fund since the last newsletter. Thank you also to the people who have indicated their willingness to increase their pledges. We still have a way to go in raising the shortfall of \$90,000 and you may like to consider whether you could offer some or all of your donations tax rebate to the Trust.

The Trust is looking at other ways to raise money. If you have any quality items which you are prepared to donate that could be sold on Trademe, please contact Robyn Jackson on (07) 853-7080 or email her on robyn.jackson.nd@xtra.co.nz.

And don't forget that we have a new Facebook page. If you look on Facebook at **THE GOOD NEWS COMMUNITY CENTRE** you will see regular updates on the building's progress.

Just a reminder that the Te Rongopai Community Trust's AGM is on 25th March at 7:30pm at St Mark's Church. It would be great if you could make it to the meeting – we would love to meet you if we have not already done so.
