## NEWSLETTER - NO. 9

May 2014

Great news! Throughout May the excellent AGORA CAFÉ, 13b Kent Street, are giving our building fund 50 cents for every cup of coffee or other hot drink sold. Please patronise them, tell your friends and family, and on Facebook "share" the post from our Good News Community Centre page. Thankyou!

50c a cup

This month we are supporting the **Te Rongopai Community Trust**. Based at St Mark's on the corner of Dominion Road and Breckons Ave, Te Rongopai serves the Nawton/Crawhaw Community.

The **Good News Community Centre** is their latest and largest project yet. It will include a large auditorium, offices, counselling rooms, lounge, and a well-equipped kitchen. This new venue will help expand their work, raising up and investing in young people, supporting parents and families, giving hope to those trapped in destructive patterns of behaviour, offering alternatives to gangs and cycles of poverty. This month, 50c of every hot beverage you buy at Cafe Agora goes towards the completion of the Good News Community Centre.

The building is progressing extremely well, as you can see. With the doors and windows and almost all the outside cladding installed, attention is shifting to the inside. Wiring and other work is under way.

Tradesmen's vans everywhere - many hands make light work!

Through supplier deals, tradespeople's gifts and some further donations we are grateful for our \$90 000.00 deficit reducing. However, we are not there yet so please be praying that we can meet all our building costs by the time of the opening ceremony. Planning for this has commenced, and it will probably be in early August.

Meanwhile we have begun considering the first community services which will operate from this new venue.

Love and blessings to you all.
